

# Aimée Allen, On Vacation

[Demo Version:]

You think I'm sad, think I'm blue  
Now that I'm no longer with you  
I'm on vacation, far away  
And nothing you could say could  
Ever change my mind  
Everything is good now that you are gone  
I am dancing with my records on  
I don't cry about you anymore  
I'm so much better than i was before  
Ohh everything is cool, everything is fine  
I'm smiling now all the time  
I got no worries anymore  
I got no worries no more

[Whistling:]

I'm at the beach, sand on my feet  
Checking out all of the boys I could meet  
While on vacation, far away  
Nothing you could say could  
Ever change my mind  
And everything is good now that you are gone  
I'm dancing with my records on  
I don't cry about you anymore  
I'm so much better than I was before  
Everything is cool, everything is fine  
I'm smiling now all the time  
I got no worries anymore  
I got no worries no more  
Oh na na na-uh na nah duh uh na na na na uh
