

# Aion, Into Abyss

Into The Abyss

I'm dying

I can see the sky full of stars and a shadow of death

Impenetrable black is surrounding me with every side

It's touching me with icy tentacles

I feel pain and fear my eyes full of tears

I feel ...

Help me to escape from this world full of pain

And suffering, tears and hate

Darkness is devouring me infinite abyss

There are no longer stars

Only emptiness and black

There's no longer pain and tears

There's only sadness left and fear

Still lays in wait somewhere

There's only ...

Can you help me ?

I wish escaped from this helpless existence

Please. help me !!!
