Air - Do You Want To Dance?

=====

Life is short, it's gone before you blink.

No time to hesitate, no time to think.

So much to do I want to do it all,

Before the air runs out or the shells begin to fall.

Chorus:

Do you want to dance?

This could be our last chance.

Do you want to dance.

Can't you see how hard this is for me?

Can't concentrate when you are all I see,

Can't find the words 'til I've forgotten what to say,

And love only appears when you look the other way.

Repeat chorus.

I've lost my rag and I've lost my cool,

I'd lose my mind if I had one to lose.

Don't want to lose this moment, seeing as you're here.

This moment may never come back, I fear.

Repeat chorus
