Air - Obsession

=====
Cold inside, I'm hot to the touch,
I'm hooked on you, I've taken too much.
Unhinged, broken in two,
Beaten again, I'm black and blue.
My love blinds me 'til I can't cope,
You upset the balance and made me walk a tightrope.
The things I want will tear me apart,
I want to consume you with all of my heart.

Chorus:

Obsession.
Fill me full of liquer, torture me with caffeine,
Push me 'til the limit, 'til I can't tell heroine from nicotine.
Take away my self control and sense of up and down.
Give the room a push and make it spin round.
But don't leave me now.
Don't leave me I need you.
Give me an inch and I'll take a mile,
I don't need the top I want the whole fucking pile.
Repeat chorus.
