

Air, Run

Holy girl
Don't get up
For running

Stay with me
I feel sad
When you run

Sands of time
Are lying
On my chest

Stay in bed
I feel sad
When you run

Stay like this
On the hills
Of my chest

Don't wake up
I feel strange
When you go

Stop the night
Hold me tight
Holy girl

Don't stand up
I feel strange
When you go
