

Air, Sing Sang Sung

Write a song, know it
Overkill just a bit
Easy does it
Good and hard just may hit
Oh you see this working
You and me been hurting
All this time we're being spun
Just to sing song
Sing song sung
Drummer bleeding
It's his pulse you're feeling
Singer screaming
Words you been feeling
Oh you see it working
You and me been hurting
All the time we're being spun
Just to sing song
Sing song sung
Drummer bleeding
It's his pulse you're feeling
Singer screaming
Words you been feeling
Oh you see it working
You and me been hurting
All the time we're being spun
Just to sing song
Sing song sung
Just to sing song
Sing song sung
Just to sing song
Sing song sung
Just to sing song
Sing song sung
Just to sing song
Sing song sung
Just to sing song
Sing song sung
