

# Air Supply, I've Got Your Love

I've got your love I don't know how we did it  
I don't know why it seemed so long  
I've got your love I don't know why you hid it  
I've never felt like this before

## CHORUS

I won't fall in love  
You said it so sure  
You haven't noticed you never say that any more

I've got your love  
And it's a perfect reason for understanding life some more

Burnt your fingers before  
Burnt your fingers before

I've got your love I don't know how we did it

I don't know why it seemed so long  
I've got your love it's such a total feeling  
I don't know where it all began

## CHORUS

I've got your love  
And if I lose all others  
I know it wouldn't hurt at all  
I've got your love I don't know how we did it  
I don't know why it seemed so long

I've got your love, I've got your love  
I don't know why it seemed so long
