

# Air Supply, Keeping The Love Alive

Both of us holding back so afraid to fall in love and lose again  
We've both been hurt before so love walked out the door in the end  
Acting as cold as ice when we wanna be just a foolish game we play  
You couldn't hurt me bad enough to make me give it up and walk away

**\*\*We can't stop the feeling's too strong  
We've got the will to hang on  
Can't stop we struggle and fight to survive  
Just keeping the love alive**

Try to forget the past so many times it's hard to make those mem'ries leave  
With all we have at stake we bend until we break 'cause we both believe

to \*\*

If we stand the test of time  
Love will be the lasting kind
