Making Love Out Of Nothing At All

I know just how to whisper

And I know just how to cry

I know just where to find the answers

And I know just how to lie

I know just how to fake it

And I know just how to scheme

I know just when to face the truth

And then I know just when to dream

And I know just where to touch you

I know just what to prove

I know when to pull you closer

And I know when to let you loose

And I know the night is fading

And I know the time's gonna fly

And I'm never gonna tell you everything I gotta tell you

But I know I gotta give it a try

And I know the roads to riches

And I know the ways to fame

I know all the rules and then I know how to break 'em

And I always know the name of the game

But I don't know how to leave you

And I'll never let you fall

And I don't know how you do it

Making love out of nothing at all

(Making love) out of nothing at all

(Making love) out of nothing at all

(Making love)

Out of nothing at all

(Making love) out of nothing at all

(Making love) out of nothing at all

(Making love) out of nothing at all

Every time I see you all the rays of the sun are all

Streaming through the waves in your hair

And every star in the sky is taking aim at your eyes

Like a spotlight

The beating of my heart is a drum and it's lost

And it's looking for a rhythm like you

You can take the darkness from the pit of the night

And turn it to a beacon burning endlessly bright

I've gotta follow it 'cause everything I know

Well it's nothing till I give it to you

I can make the runner stumble

I can make the final block

And I can make every tackle at the sound of the whistle,

I can make all the stadiums rock

I can make tonight forever

Or I can make it disappear by the dawn

And I can make you every promise that has ever been made

And I can make all your demons be gone

But I'm never gonna make it without you  
Do you really wanna see me crawl  
And I'm never gonna make it like you do
