SWEET DREAM

AIR SUPPLY

This is the time when you need a friend
You just need someone near
I'm not looking forward to the night I will spend
Thinking of you when you're not here
How many times will I think about the things
I'd like to do
Always denied the right to live my life the way I want
I want to share it with you

** Close your eyes I want to ride the skies
In my sweet dreams
Close your eyes I want to see you tonight
In my sweet dreams

I'll think of your kiss as the days roll by
And I'll write the words you love
And what I can't say in a letter
Will just have to wait till I get home

Ooh there's not much time to tell you half the things I should
Only that I'm so glad I fell in love with you
And I'd do it again if I could

Repeat ** twice

Sleep like a child resting deep
You don't know what you give me I keep
For these moments alone

Repeat ** fade
