Air - Why?

=====

You shut your mouth,
Don't make a sound.
What do you know anyway?
What do you care?
You never cared.
And I hope you're happy,
When you're screwing whatsisname.
Don't worry about me.
You couldn't hurt me,
Anymore than I've been hurt already.
Chorus:

Why?

Why?

I need to know,
And all I ask is...

Why?

Why?

I need to know.
Don't try to sympathise,
I see through your lies.
And you left me.
You went and left me,
Just when I needed you most.

Repeat Chorus.
