

# Airbourne, Cheap Wine & Cheaper Women

Walking through the city  
It's lonely heartbreak streets  
The wind gives a chill as the sun begins to weep  
Don't know where I'm goin'  
And I don't know where I've been  
But the nights coming down and I'm feeling good again

Cheap wine  
And cheaper women  
Give me cheap wine  
And cheaper women

Had myself a lady  
To hold me tight and warm  
To keep out the cold and make love 'til the dawn  
Yeah, she loved me tender  
And she loved me sweet  
But then she kicked me out and now I'm on the street

Cheap wine  
And cheaper women  
Give me cheap wine  
And cheaper women

Women come and go  
They never do remain  
They take more than they give  
But it's me who's to blame  
I'm at the bottom of the bottle  
And nothin's all I got  
Yeah, it may not be the answer but it sure does hit the spot

Cheap wine  
And cheaper women  
Give me cheap wine  
And cheaper women

Cheap wine  
And cheaper women  
Give me cheap wine  
And cheaper women
