

# Ajattara, Verivalta

Syv haava rinnassansa  
Harmaa on syli taivahan  
Murheen myrkky  
Saastuttaa  
Sairas kohtuunsa nukahtaa

Erivalta  
Eri ihminen  
On veri ihmisen valta

Hpest ei pelko kuole  
Kuolevaisen hpe  
Harhaa kaikki tieto  
Vihan sallii nkevn

Kauhun kaste  
Armo alistetun  
Olen saatana vankina jumalan  
Vihaa kaikki tieto  
Harhan sallii nkevn  
&lt;/lyrics&gt;

||

==English translation==

&lt;/lyrics&gt;  
In his breast is gaping a deep wound  
Bosom of the sky is grey  
Poison of sorrow desecrates,  
Sick one is asleep into it's own utero.

Different power  
Different human being  
Blood is human power.

Fear doesn't die of the shame  
Shame of a mortal one  
Any knowledge is illusion  
It let's you to see the hate.

Baptism of horror  
Mercy of subordinated one  
I am Satan as the prisoner of God  
Any knowledge is hate  
It let's you to see the illusion.
