

# Ak'Sent, Be Careful

Uh Huh  
This Song Right Here  
Is To My Inspiration  
My Grandma(Be Careful)

[Verse 1:]

That's Wat She Said To Me  
As I Laid Down For Bid All Onto Oil Down My Head  
She Just Prayed  
Hoping That My Belief Never Faid  
And God Forbid I Forget The Way I Was Raised  
Yeah Thats What She Said  
Baby Use Your Head  
Respect Is Always Do To The Person Ahead  
And Even Though We Strougle  
I Believe In You  
Keep Working Hard We Gon Make It Through (Fo' Sho)  
So Now- Now That That's All Out  
I'm Sorry For The Times We Had Too Scream And Shout  
I Just Never Wanna See Any Harm Come Too Yea  
Theres Nohen In The World I Wouldnt Sacrifice For Yea  
I Live My Life So Now Its Time For You  
To Do All The Things I Could Not Do  
The Opertunaties There And It's Up To You  
No Matter What Happens I'll Be There For You  
(This Is What She Said To Me)  
(She Said)

[Chorus:]

Girl (Girl)  
Be Careful  
There's Alot Of Things You Might Not Like  
Alot Of Things You Cant Control (Control)

As Long As You Do It Right

[Verse 2:]

She Said  
Girl You're Beautiful  
Despite All The Problems You've Been Through  
Know That You Can Make It Through  
With God Everythings Possible  
If No One Ever Told You  
Im Proud Of You  
But Im Only Going Too Tell You The Truth (Im Only Gonna Tell You The Truth)  
To Succed You Need Struggle  
And Thats A Small Piece Of The Puzzle  
So Go And Get Your Piece Of The Pie  
Look Too The Sky And  
Keep The Martin Luther King Dream Alive  
Keep It Going Just Take It And Shtry  
And Its Okayy To Cry  
Just Never Let Them See You Sweat  
Try Not To Do The Things You Will Regret  
Now If You Did Its The Past  
Just Try Not To Do It Again  
Plus Be Careful When You're Picking Your Friends  
Be Careful Of The Ones That Pretend  
Some One That'll Stay To The End  
Some One Too Depend On And Lend  
A Helping Hand, Keep Yea Head Streight When You Bend  
Nothing Last's Forever

I Cant Be Here Forever  
(Just Be Careful Baby)(She Said She Said She Said)

Girl (Girl)  
Be Careful  
There's Alot Of Things You Might Not Like

As Long As You Do It Right

[Verse 3:]  
I Remember Them Rainy Days I Had In My Life  
She Was Always There  
To Make Things Right  
And If Ever I Was Down, Depressed In My Life  
She Was Always There To Make My Days Go Bright

[Bridge:]  
Oh Baby  
Im Always There For You  
You're The Sun In My Day And The Night You're My Moon  
No Matter What It Is You're Going Through  
That's Never Ever Never Ever  
(That's Never Going Too Change)  
(Nahh Nahh.. She Said)
