

Akeboshi, Morning High

A piece of water knock on my window
Piece of water knock on my window
A piece of water knock on my window
When I'm deep inside my dream
Playing with my mind
When I'm deep inside my dream
Playing with my mind
Peace of water knock on my window
Peace of water knock on my window
Deep inside my dream
Peace of water knock on my window
Peace of water knock on my window
Deep inside my dream
