A piece of water knock on my window  
Piece of water knock on my window  
A piece of water knock on my window  
When I'm deep inside my dream  
Playing with my mind  
When I'm deep inside my dream  
Playing with my mind  
Peace of water knock on my window  
Peace of water knock on my window  
Deep inside my dream  
Peace of water knock on my window  
Peace of water knock on my window  
Deep inside my dream
