

# Akinyele, Put It In My Mouth

My baby left me, left me sad and blue  
I didn't know what to do without my baby, baby, baby, baby  
And then I met his best friend and he took me to his house  
And I said, I said  
(What you said, baby?)  
Let me tell you what I said  
Put it in my mouth  
She said, put it in her mouth  
I said, my motherfuckin' mouth  
I mean, her motherfuckin' mouth  
Put it in my mouth  
She said put it in her mouth  
My motherfuckin' mouth  
You wanna go down? Why not?  
I be like Herbie and hand you a cock  
And tell you that my name is Ak'  
Get on your knees  
Make like the breeze begin to blow  
But don't give me no Ralph Lauren grin  
If you're not down to go low  
(Deep in my mouth)  
I'm all about mouthfuckin'  
Only if you down for dick suckin'  
If not, B J and a beer, keep truckin'  
And fuck chap sticks  
I'm comin' a shy as hell  
Wit chapped dicks  
For your chapped ass lips  
(Down in my mouth)  
Creamin' your teeth  
Like dentists as I'm rubbin' them  
With an erection like injections  
Fuck it, I be ruggin' them  
Numbing up your tonsils  
Like Anbesol anesthetic  
Cummin' down your throat like chloropectic  
(Take it out my mouth)  
No time for apologin', girlfriend  
If you swallowin', garglin'  
I'm givin' bitches permanent beards  
Put your lips here and catch these  
Damn facial hairs in your mouth  
Put it in my mouth  
Put it in your mouth  
I said my motherfuckin' mouth  
I said your muthafuckin' mouth  
Or you can just eat me out  
Or I can just eat you out  
You can eat me out  
Yeah, what's that all about?  
Now you can lick it, you can sip it, you can taste it  
I'm talkin' every drip-drop, don't you waste it  
Baby, slurp it up, it's enough to fill your cup  
It's finger lickin' good and I'm wishin' nigga would  
Go down kinda slow or even fast  
I'm always sprung once I feel your tongue  
In the crack of my ass, just eatin' me nigga  
Goin' out like that  
Boy, you pack such a tasty treat  
And you can eat me out  
But put it in my mouth  
Put it in your mouth  
I said, your motherfuckin' mouth  
I said, your motherfuckin' mouth

And you could just eat me out  
What do ya choose to lick? You could eat me out  
Pussy or dick? Put it in your mouth  
People through out the world  
I said, your muthafuckin' mouth  
Man it's your pick, put it in my mouth  
What do ya choose to lick  
Put it in my mouth, pussy or dick?  
I said, my muthafuckin' mouth  
People through out the world  
Just put it in my mouth  
Yeah it's your pick, muthafuckin' mouth  
What do you wanna lick?  
And you could just eat me out  
Pussy or dick? In my mouth  
People through out the world  
Put it in my mouth, it's your pick, hah  
Baby, baby, in my mouth  
It's your pick, pick, let me go down  
Uhh, uhh, people through out the world
