

# Akon, Blame me on it

As life goes on, Im starting to learn more and more about responsibility.  
And I realize that everything I do is affecting the people around me.  
So I want to take this time out to apologize for things that Ive done,  
things that havent occurred yet,  
and things that they dont want to take responsibility for.

Im sorry for the times that I left you home  
I was on the road and you were alone  
Im sorry for the times that I had to go  
Im sorry for the fact that I did not know  
That you were sitting home just wishing we  
Could go back to when it was just you and me  
Im sorry for the times I would neglect  
Im sorry for the times I disrespect  
Im sorry for the wrong things that Ive done  
Im sorry Im not always there for my sons  
Im sorry for the fact that Im not aware  
That you can't sleep at night when I am not there  
Because Im in the streets like everyday  
Im sorry for the things that I did not say  
And how you are the best thing in my world  
And how Im so proud to call you my girl

Chrous:

I understand that theres some problems  
And Im not too blind to know  
All the pain you kept inside you  
Even though you might not show  
If I can't apologize for being wrong  
Then its just a shame on me  
(Id be the reason for your pain) or (Ill be the reason for your pain)  
And you can put the blame on me  
you can put the blame on me  
you can put the blame on me  
you can put the blame on me  
you can put the blame on me  
said, you can put the blame on me  
said, you can put the blame on me  
said, you can put the blame on me  
you can put the blame on me  
Im sorry for the things daddy put you through  
And all the times you didnt know what to do  
Im sorry that you had to go and sell those bags  
Just trying to stay busy until you heard from Dad  
When you would rather be home with all your kids  
As one big family with love and bliss  
And even though pops treated us like kings  
He got a second wife and you didnt agree  
He got up and left you there all alone  
Im sorry that you had to do it on your own  
Im sorry that I went and added to your grief  
Im sorry that your son was once a thief

Im sorry that I grew up way to fast  
I wish I would of listened and not be so bad  
Im sorry that your life turned out this way  
Im sorry that the feds came and took me away

Chrous:

I understand that theres some problems  
And Im not too blind to know  
All the pain you kept inside you  
Even though you might not show  
If I can't apologize for being wrong  
Then its just a shame on me  
(Id be the reason for your pain) or (Ill be the reason for your pain)  
And you can put the blame on me

you can put the blame on me  
you can put the blame on me  
you can put the blame on me  
you can put the blame on me  
said, you can put the blame on me  
said, you can put the blame on me  
said, you can put the blame on me  
you can put the blame on me  
Im sorry that it took so long to see  
What they did wrong, trying to put it on me  
Im sorry that it took so long to speak  
But I was on tour with Gwen Stefani  
Im sorry for the hand that she was dealt  
And for the embarrassment that she felt  
Shes just a little young girl tryin to have fun  
But daddy should of never let her out that young  
Im sorry for Club Zen getting shut down  
I hope they manage better next time around  
How was I to know she was underage  
In a 21 and older club they say  
Why doesnt anybody want to take blame  
Verizon backed out, disgracing my name  
Im just a singer trying to entertain  
Because I love my fans, Ill take that blame  
Even though the blames on you  
Even though the blames on you  
Even though the blames on you  
Ill take that blame from you  
And you can put that blame on me  
And you can put that blame on me  
you can put that blame on me  
you can put that blame on me  
And you can put that blame on me  
And you can put that blame on me
