Akon, Mr Lonely

Lonely, I'm Mr lonely I have nobody for my own

I'm so lonely, so lonely

I'm Mr Lonely

I have nobody for my own

I'm so lonely

Y'all, this one here

Goes out to all my players out there

Man, ya know they got that one good girl, dawg

That's always been there, man like took all the bullshit

Then one day she can't take it no more and decided to leave

Yeah, I woke up in the middle of the night

And I noticed my girl wasn't by my side

Coulda sworn I was dreamin'

For her I was feelin'

So I had to take a little ride

Back tracking on these few years

Tryin' figure out what I did to make it go bad

'Cause ever since my girl left me

My whole life can crash in a moment

I'm so lonely

(So lonely)

I'm Mr Lonely

(Mr Lonely)

Ì have nobody

(I have nobody)

For my own

(Nobody to call my own, girl)

I'm so lonely

(So lonely)

I have nobody

(I have nobody)

To call my own

(Nobody to call my own, girl)

Can't believe I had a girl like you

And I just let you walk right outta my life

After all, I put you through you still stucked

Around and stayed by my side

What really hurt me is I broke your heart, baby

You were good girl and I had no right

I really wanna make things right

'Cause without you in my life, girl

I'm so lonely

(So lonely)

I'm Mr Lonely

(Mr Lonely)

For my own

(Nobody to call my own, girl)

Been all about the world ain't never met a girl
That can take the things that you been through

Never thought the day would come where you'd get up and run

And I would be out chasing you
'Cause ain't nowhere in the globe I'd rather be
Ain't no one in the globe I'd rather see
Then the girl of my dreams that made me be
So happy but now so lonely
