Akon, Mr Lonley

Lonely, I'm Mr. Lonely I have nobody for my own I'm so lonely, I'm Mr. Lonely I have nobody for my own

I'm so lonely

Y'all, this one here

Goes out to all my players out there, man, ya know

Thay got that one good girl, dawg That's always been there man, like

Took all the bullshit

Then one day she can't take it no more

And decided to leave

Yeah, I woke up in the middle of the night And I noticed my girl wasn't by my side

Coulda sworn I was dreamin' for her I was fiennin'

So, I had to take a little ride

Back tracking on these few years

Tryin', figure out what I did to make it go bad

'Cause ever since my girl left me

My whole life can crash in a moment, I'm so

Lonely (So lonely) I'm Mr. Lonely

(Mr. Lonely I have nobody (I have nobody)

For my own

(To call my own, girl)

(Mr. Lonely)
I have nobody

(I have nobody) To call my own

(To call my own, girl)

I'm so lonely

Can't believe I had a girl like you

And I just let you walk right outta my life After all I put you through you still stucked

Around and stayed by my side

What really hurt me is I broke your heart, baby

You were good girl and I had no right

I really wanna make things right

'Cause, without you in my life girl, I'm so

Lonely (So lonely) I'm Mr. Lonely

(Mr. Lonely)

I have nobody (I have nobody)

For my own

(To call my own, girl)
