

# Al Green, All the Time

Sometimes when I cry, I cry for you, baby  
Sometimes well, I know, I'm over you, baby  
Sometimes when I try so hard to bear  
Well, I'll do my very best all the time  
Do my very best all the time  
Sometimes when I smile, hey, hey, I smile for you, baby  
Sometimes when I'm down, I'm down for you, baby  
Sometimes when I cry, so hard to bear  
Well, I'll do my very best, try to save the rest all the time, oh yeah  
Do my very best all the time  
Oh, I know, I know I'll do my very best all the time, yeah  
I'll do my very best all the time  
Oh, I'll do my very best, do my very best  
Do my very best, all the time  
Do my very best  
Do my very best  
Do my very best all the time  
Do my very best  
Do my very best  
Come on, come on, yeah  
Come on, come on, now, now, now  
Oh, yeah  
I'll do my very best, every time  
Every time, every time I  
Do my very best  
Try to save the rest  
Do my very best  
All the time  
Do my very best  
Try to save the rest  
Do my very best  
All the time  
Do my very best
