

# Al Green, For The Good Times

Don't look so sad I know its over  
But life goes on and this world keeps on turning  
Let's just be glad we have this time to spend together  
There is no need to watch the bridges that were burning

[Chorus:]

Lay your head on my pillow  
Hold your warm and tender body close to mine  
Hear the whisper of the raindrops  
Blow softly against my window pane late at night

Make believe you love me one more time  
For the good times  
For the good times  
I'll get along I'm sure you'll find another  
But baby please remember I'll be here  
I'm gone stay right here if you should ever find that you need me  
Don't say a word about tomorrow forever and ever and ever  
There will be time enough for severance when you need me

[Chorus]
