

# Al Green, Full Of Fire

I'm full of fire (full of fire... full of fire)  
You're my one desire...  
Baby I'm full of fire (full of fire... full of fire)  
You can make me cry...  
I can dance to the music...  
I can sing all night long...  
I can play with the band until you hear my song...

'Cause I'm full of fire (full of fire... full of fire)  
See the party lights....  
Baby I'm full of fire (full of fire... full of fire)

It's the reason why...  
I can dance with the fire...  
Burnin'.... burnin' low...  
I can stay 'til the party is all over...

Baby I'm full of fire (full of fire... full of fire)  
I rolled a twenty one...  
Baby I'm full of fire (full of fire full of fire)...

Life has just begun...  
Ooo Ooo I can dance to the music...  
I can under... understand that there must be a power that I hold in my hands...

Dance... dance... dance...  
Oh I understand...  
Young man... young man... I say I understand....  
I can dance... dance...dance... dance...  
I understand...  
There's some things that I know...  
But I want the horns to blow...
