

# Al Green, Get Back

Jojo was a man who thought he was a loner  
And knew that he couldn't last  
And Jojo left his home in Tucson, Arizona  
For some California grass  
Got to get back, get back  
Get on, get on back to where you once belonged  
Alright, get back, got to get on back  
Get back to where you once belonged  
Get back, Jojo  
I'm goin'  
Now get back, get back  
Got to get on back to where you once belonged  
Get back, get back, get back, get back  
Get back, get to where you once belonged  
Come here

Sweet Loretta Martin thought she was a woman  
But she was another man  
And all the girls around her say she's got it comin'  
But she gets it while she can  
Get back, get back  
Get back to where you once belonged  
Got to get back, got to get back  
Get back, get back to where you once belonged  
Get on back, Loretta  
Alright now  
Get back, got to, got to get back  
Get back to where you once belonged  
Get back, got to get back, get back, get back
