

# Al Green, I Wanna Hold You

Hold you, I wanna hold you  
I'd like to hold you, yeah  
Good God, could I hold you in my arms?  
And feel your lucky charms  
I could call you on the phone  
Tell you a ride home  
I'd like to hold you, oh, yeah  
(Hold you)  
Hold you  
(Hold you)  
I don't mind if I hold you, ooh yeah  
(Hold you)  
Hold you  
I wouldn't do nothing at all  
I'd like to talk to you, explain  
You know my name  
I'd like to say that I, I love you  
Because you know that I do  
I would like to hold you, baby  
Hold you, hold you, hold you  
(Hold you)  
I wouldn't even say anything  
Just stop, write this down, will you?  
I love you, oh, yeah  
You don't have to shout for a ride  
I'll love you through the night  
Would you chauffeur me till noon  
But our love was not so  
Hey, you staying with me till my mind  
I would be crazy in no time  
I would like to hold you  
(Hold you)  
Call somebody, and ask them that  
(Hold you)  
Hold you  
(Hold you)  
I wanna hold, I wanna, I wanna  
Hey, hey, hey yeah  
(Hold you)  
Hold you in like a lady  
(Hold you)  
Take you take you  
Take you in my arms, baby  
(Hold you)  
Take you, take you, take you  
(Hold you)  
Take you, take you, take  
(Hold you)  
Take you in my arms
