

Al Green, Simply Beautiful

If I gave you my love,
I tell you what I'd do
I'd expect a whole lotta love outta you

You gotta be good to me
I'm gonna be good to you
There's a whole lotta things you and I
Could do
Hey hey

Hey hey hey

Simply beautiful simply beautiful simply
Beautiful
Simply beautiful simply beautiful simply
Beauti..
Simply beautiful
Simply beautiful
Simply beautiful
Simply beautiful

What about the way you love me
And the way you squeeze me
Hey
Hey simply beautiful hey

And you get right down it
And the love is getting you through it

Simply beautiful [Repeat to end]
