

# Al Green, Too Much

Can I have a kiss?  
Can I have a touch?  
It's too much baby  
I don't wanna hold you back  
Your smiling face  
Your lips on mine  
Your love divine  
Oh, it's too much baby  
Listen, I wanna say  
That's it's too much  
Too much for me  
Come on now  
Oh baby, too much baby  
Too much for me  
I gotta say, ooh  
Your smilin' face  
Your lips on mine  
Talkin' about a love divine  
It's too much, oh  
Everyday feel like Sunday  
And your smile is something I can't fathom  
It's just too much, I love you too much, just  
I can't keep holdin' you back, it's  
Your love is way too much  
Baby, I said it's too much  
Girl, it's too much, oh hey  
I was one step closer  
To your arms from mine  
I feel your love so divine  
It, it, it, it, it, it, it's  
Just, just, just, just, just, too, too much  
Too much for me  
I, I want to take you in my arms  
Just one more time I'm askin'  
Give me your love  
I don't need no hug  
It's too much  
Too much for me  
Oh, that love's just  
It is too much  
Oh now, it's too much for me  
Baby, it's too much
