

Al Green, Wait For Me

Darling did you know that I, I dream about you
Waiting for the look in your eyes, when we meet for the first time
Darling did you know that I, I pray about you
praying that you will hold on, and keep your loving eyes only for me

[Chorus:]

'Cause I am waiting for, praying for you darling
Wait for me to, wait for me as I wait for you [2x]

Darling did you know that I dream about life together,
knowing you will be forever I'll be yours and you'll be mine
And darling when I say, "Til death do us part", I'll mean it with all of my heart,
Now and always faithful to you

[Chorus]

Now I know you may have made mistakes, but there's forgiveness
and a second chance, So wait for me, darling wait for me, wait for me, wait for me

[Chorus]
