

Al Green, What More Do You Want From Me

What more do you want from me?
I've just ~bout given you all of me
More than your eyes can see
After all I've done for you
Oh baby, you gave me too, oh
What more do you want from me?
What more do you want from me?
What more do you love about me?
After all you've done for me
I love you, yes sirree, oh
I've tried to do my best, girl yeah
We can stand the test
Oh and forget all about the rest
Good love is more than true
Oh baby, I just guess for me and you, oh
What more do you want from me?
What more do you want from me?
What more do you love about me?
After all you've done for me
I love you, yes sirree, oh
You've won, you've won my heart baby
Where do, where do we start?
What more do you want from my heart?
After all you've done for me, oh baby
I love you, yes sirree, oh
What more do you want from me?
What more do you want from me?
What more do you love about me?
After all you've done for me
I love you, yes sirree, oh
Think about it baby
What more?
Think about it baby
What more?
Think about it baby, oh
