Al Jarreau, Fallin'

Nitakungodea Milele Nitakungodea Milele These are the words I say when I want you near to me From that place deep in my heart you will see I am never far away when you turn to every place When you reach out for my love I'll be there , yeaaah I will be here for you, baby I will be here for you when you're fallin' I will be here for you, baby let me love you When the world's too hard to bear and you need a helping hand I'll be there, the one to help you understand If you wander far away Zambia or Monterey I'll be there the one to wash your tears away ay - ay - ay I will be here for you, baby I will be here for you when you're fallin' I will be here for you, baby let me love you I will be here for you, baby let me love you Nitakungodea Milele
