

Al Jarreau, Never Givin' Up

I've been afraid
That I had missed the chance of a lifetime
And by the way
I've tumbled with romance, girl and I don't cry
But now I'm searching every star
Searching near and far
'Til I find our one spirit flyin' high
Flyin' high
I'll never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
I'll be content in time
I'm gonna be content in time
And so today
I think I'll take the chance of a lifetime
And by the way
I'm falling for romance, girl and I don't mind
How much I cry
See I'm reaching for the sun
Love has just begun
Two could turn to one, spirit flyin' high
Flyin' high
I'll never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
I'll be content in time
I'll never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
I never give it up, never gonna give it up
Even when this life is over
I'll be content
I'm gonna be content in time
I'll never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
I'll be content in time
I'll never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
Never give it up, never gonna give it up
Even when this life is over
I'll be content
I'm gonna be content
Never gonna give it up
No, no, no, no, not I
Never gonna give it up
No, no, no, no, not I
Never gonna give it up
No, no, no, no, not I
I'll be content in time
Never gonna give it up
No, no, no, no, not I

Never gonna give it up
No, no, no, no, not I
Never gonna give it up
