

Al Walsler, I Can't Live Without You (feat. Olga Le

Two months eleven days
I've been together with my baby, with my baby

I'm in love and so amazed see butterflies all over see them all over

It's enough to make a grown man cry
When I think of all the pillars in our life

He's the only one who really knows me

And we'll try and we'll try together till we die cause...

I can't live without you
No I can't breathe without you
Nobody knows like I do
I can't live without you without you

30 years, eleven days (yeah)
I've been together with my baby, with my baby
It's been like a maze (yeah)
At times we couldn't figure a way out, a way out

It's enough to make a grown man cry
And I think we can make it
Gonna try. Try. Try.....cause...

I can't live without you
No I can't breathe without you
Nobody knows like I do
I can't live without you

I am thinking about you (all day)
I can't live my life when you're (gone away)
I'm still into you crazy (all the way)
My love will never fade away

I can't live without you
No I can't breathe without you
Nobody knows like I do
I can't live - I can't live I can't live (repeat)
