

# Alabama, Down On The River

Down on the river it's an easy kind of life  
Everybody here's feeling fine  
No need to worry or get in a hurry  
Nothing to spend but time  
Light up a smoke and tell a few jokes  
And pass the old jug around  
We're gonna get right on a Saturday night  
When the sun goes down

(CHORUS)

Down on the river  
Down on the river  
Just some old boys making a lot of noise  
Down on the river  
Down on the river  
Down on the river  
If anyone calls, tell them we're all  
Down on the river

We'll go fishing by the light of the moon  
And bait them hooks by hand  
And early in the morning we'll take them off the line  
Fry 'em all up in a pan  
We gotta get home while we still got a job  
or we'll have to answer to the man  
And everybody knows though we gotta go  
We'll be back again

(REPEAT CHORUS)
