Alabama, Gonna Have a Party

Gonna have a party, a good time jamboree Gonna have a party, come on along with me Gonna have a good time, and everybody's feelin' right Gonna have a party, a week from Saturday night Well, thought I'd call you early I thought you'd like to know there's gonna be a party And I'd love for you to go And I just wanna give you time to get your story right There's gonna be a party, babe, and it might last all night Gonna have a party, a good time jamboree Gonna have a party, come on along with me Gonna have a good time, and everybody's feelin' right Gonna have a party, a week from Saturday night Now we're gonna play some music, and we can sing along And I'll bet before the night is through, we'll play your favorite song And when they play the slow dance and I'm holding you so tight That's when the party's startin', babe, and it might last all night Gonna have a party, a good time jamboree Gonna have a party, come on along with me Gonna have a good time, and everybody's feelin' right Gonna have a party, a week from Saturday night Yeah, gonna have a party, a good time jamboree Gonna have a party, come on along with me Gonna have a good time, and everybody's feelin' right Gonna have a party, a week from Saturday night Gonna have a party, a good time jamboree Gonna have a party, come on along with me Gonna have a good time, and everybody's feelin' right Gonna have a party, a week from Saturday night Alright
