

Alabina, Last Kiss

Desert has called out my name
I should go out there again
So why could hear somebody pray
And prayers will follow me

[Arabic]

Chorus:
Would you carry me
Faithfully, over the seas
I'll open the sky
To kiss you goodbye
Fly-y-y!

You gave up a new sacrifice
You wanted to be with the stars
So no one can read in your eyes
But have you said all your goodbyes?

[Arabic]

Chorus:
Would you carry me (carry me)
Faithfully (faithfully)
Over the seas
I'll open the sky
To kiss you goodbye
Fly-y-y

[Vocalizing]

[Chorus 3 times]

Kiss you goodbye
Fly-y-y-y
