

Alaia & Gallo, Breakin' (Feat. Lady I'm)

Breakin, I'm all your shaking
Until the rhythm of your body
Can't stop movin
C'mon start jumping
Just keep on dancing
I see the passion all your feet

I want to move
To shake my boot
To feel the music has no ..gotta let it go

I want some groove
Show me your move
Don't stop breakin shakin movin dancin all I want is just
Boom
Break down
