

# Alamo Race Track, My Heart

Another hit-and-run, she said  
Hit them straight in the eye  
Wake me up in the middle of the night  
To see the buildings and the dark sky

If i tell you I was sick  
don't get me wrong I had some good times  
You took me in if I was your child  
But I was acting on my own

Forget the situation  
Don't blame me 'cause you're wrong  
I guess people are vague  
When they're all alone

And it steals  
And it robs  
And you lie a little more  
To get closer to your heart  
What is it you want from me?

My heart my heart  
My heart my heart

Another hit-and-run, she said  
Hit them straight in the eye  
Wake me up in the middle of the night  
To see the buildings and the dark sky

And it steals  
And it robs  
And you lie a little more  
To get closer to your heart  
What is it you want from me?

My heart my heart  
My heart my heart  
(repeat)

Oh my heart my heart  
My heart my heart  
(repeat)
