

Alan Jackson, Meat And Potato Man

(Harley Allen/John Pennell)

I like my steak well done, my taters fried
Football games on Monday night
It's just who I am
A meat and potato man

I like my coffee black
Ol' TV shows
My women hot and my beer ice cold
It's just who I am
A meat and potato man

I like my fishin' holes, lightnin' bugs
Flatt n' Scruggs, and my woman's love
It's just who I am
A meat and potato man

I like my Wrangler jeans, cowboy boots
Cornbread and beans and country roots
It's just who I am
A meat and potato man

I don't like politics, hypocrites
Folks with poodles dressed like kids
I'm a hounddog fan
A meat and potato man yeah, that's what I am
A meat and potato man
