Alan Jackson, Once In A Lifetime Love

Some people have it Some people don't Some people never will Sometimes its hard to know when you got it Sometimes its perfectly clear Well I know it's out there I've seen it happen I know the way it should feel 'Cause there's no mistakin That good kind of achin Of once in a lifetime

Once in a lifetime love Love like we've all dreamed of it may go disguised right before you very eyes once in a lifetime love

So if you think you've got it You feel it inside ya Don't let it slip away You may not ever Find what you never Thought you had anyway You've always had it Just realize it You know how lucky you are To wake up beside What some never find A Once in a lifetime love

Once in a lifetime love Love like we've all dreamed of It may go disguised Right before your eyes A Once in a lifetime love

It may go disguised Right before your eyes A Once in a lifetime love
