

# Alan Jackson, She Likes It Too

(Jack Turner/Tim Nichols)

I got my first motorcycle when I turned sixteen  
I remember my mama raisin cane with me  
She said, "Son tell me why you want to ride that thing"  
She didn't know about the blonde at the Dairy Queen

I got my own reasons why I do what I do  
I like to ride motorcycles  
She likes it too  
I like to ride motorcycles  
She likes it too

I always wore my hair just a little too long  
Daddy didn't like it and he made no bones  
If I'd have gotten it cut like he wanted me to  
She wouldn't have had nothin left to run her fingers through

I got my reasons why I do what I do  
I like to wear my hair long  
She likes it too  
I like to wear my hair long  
She likes it too

I remember ridin around with my buddies back home  
Listenin to some country on the radio  
When they tried to change the startion to some rock n roll  
I'd turn the Opry up just as loud as it would go

I got my reasons why I do what I do  
I like country music  
She likes it too  
I like country music  
She likes it too

I got my own reasons  
Why I do what I do  
I know what I like  
She likes it too  
I know what I like  
She likes it too

Yeah I know what I like  
And she likes it too
