

Alan Jackson, Tequila Sunrise

Album: The Songs of the Eagles

It's another Tequila Sunrise
Staring slowly cross the sky
I said goodbye

And he was just a hired hand
Working on the dreams he planed to try
As days go by

And ever night when the sun goes down
Just another lonely boy in town
And shes out runnin' round

She wasn't just another woman
And I couldn't keep from coming home
It's been so long

Oh, and it's a hollow feeling
When it comes down to seeing friends
It never ends

--- Instrumental ---

Take another shot at courage
And wonder why the right words never come
You just get none

It's another Tequila Sunrise
This whole world still looks the same
Another friend...
