We're looking for The King The new Messiah We're following the star Shining brighter Old man, won't you help us if you can? He shook his head But he pointed his hand There's a new kid in town And He's lying in a manger, down the road There's a new kid in town But He's just another baby, I suppose Heaven knows There's a new kid in town Here in Bethlehem I see you've traveled far Bearing treasures You say these gifts are for The new Kings pleasures Well, I've heard That a King might come But up 'til now there hasn't been one There's a new kid in town And He's lying in a manger, down the road There's a new kid in town But He's just another baby, I suppose Heaven knows There's a new kid in town Here in Bethlehem There's a new kid in town And He's lying in a manger, down the road There's a new kid in town But He's just another baby, I suppose Heaven knows There's a new kid in town
