Alan Parson Project, The, Dancing On A High Wi

Alan Parson Project, The Ammonia Avenue Dancing On A High Wire (colin blunstone - lead vocal)

We're living in a different reality We're toeing the same line We give in we call it neutrality, A joke with no punchline The silver plated hero Meets the golden hearted whore The odds'll give you zero She'll be leaving in a few days more Movin' on forever, maybe she don't care Holding on together, maybe it just ain't there

You're dancing on a high wire You need to be so sure There used to be a lifeline There isn't anymore

We are the same with no similarity, We talk at the same time We believe in freedom and charity As long as i get mine The ivory madonna is walking Through the door You watch her from a window, It doesn't matter anymore Moving on forever, maybe she don't care Holding on together, maybe it just ain't there

You're dancing on a high wire You need to be so sure There used to be a life-line There isn't anymore
