Alan Parsons Project - iv. Nothing Left to Lose

(Lead vocal - Eric Woolfson)

Nothing's good the news is bad
The heat goes on and it drives you mad
Scornful thoughts that fly your way
You should turn away cause there's nothing more to say
You gave the best you had to give
You only had one life to live
You fought so hard you were a slave
After all you gave there was nothing left to save
You've got nothing left to lose (you've got nothing left to lose)
No you've got nothing left to lose (who'd wanna be standing in your shoes)
Nothing ventured nothing gained
No more lingering doubt remained
Nothing sacred or profane
Everything to gain
Cause you've nothing left
