Alan Parsons, Since The Last Goodbye (Chris Ra

The hours, the minutes seem to fly
And since the last goodbye
You and I came a long way
The nights, too short to fill with sleep
Or falling in too deep
Seem so far away now
Memories, all we share between us
Everything we were, all that we remain
But memories somehow came between us
Breaking up two minds that were one and the same
The years are moments passing by
No time to wonder why
You and I went the wrong way
The days too short to fill with dreams
Or question what it means
Are a part of me now
Remember all the leaves were falling
Walking hand in hand, standing in the rain
Remember distant voices calling
Whispers in the dark, I can hear them again
Since the last goodbye
It's all the wrong way round
Since the last goodbye
It's all the wrong way round
Memories, all we share between us
Everything we were, all that we remain
But memories somehow came between us
Breaking up two minds that were one and the same
Since the last goodbye
It's all the wrong way round
Since the last goodbye
It's all the wrong way round
