

# Alan Walker, Different world (feat. Sofia Carson, I

all we know  
left untold  
beaten by a broken dream  
nothing like  
what it used to be  
(used to be)

we've been chasing our demons  
down an empty road  
been watching our castle  
turning into dust  
escaping our shadows  
just to end up here  
once more

and we both know

this is not the world we had in mind  
but we got time

we are stuck  
on answers we can't find  
but we got time  
and we even though we might  
lost tonight  
the skyline reminds us  
of a different time

this is not the world we had in mind  
but we got time

broken smile  
tired eyes  
i can feel your longing heart

call my name  
howling from a far

we've been fighting our demons  
just to stay at loat  
been building our castle  
just to watch it fall  
been running forever  
just to end up here  
once more

and now we know

this is not the world we had in mind  
but we got time

we are stuck  
on answers we can't find  
but we got time  
and we even though we might  
lost tonight  
the skyline reminds us  
of a different time

this is not the world we had in mind  
but we got time

take me back  
back to the mountain side

under the northern lights  
chasing the stars

take me back  
back to the mountain side  
when we were full of life  
back to the start

and we both know that

this is not the world we had in mind  
but we got time

we are stuck  
on answers we can't find  
but we got time  
and we even though we might  
lost tonight  
the skyline reminds us  
of a different time

this is not the world we had in mind  
but we got time
