

# Alan Walker, Extremes (feat. Trevor Daniel)

What if I told you I loved you?  
What if I told you I lied?  
Remember all of our hellos  
As I tell you goodbye

Ooh-ooh, ooh-ooh-ooh-ooh  
If you see me in a daze  
I feel better, outta place  
It's true, ooh-ooh-ooh-ooh  
I don't need to be saved  
I'm a fucking renegade, uh

Highs, lows, I got no in between  
Baby I know I've been talking in my sleep  
Free-faller, I drown in the deep  
Baby I know, I go to extremes

Extremes, extremes  
Extremes, extremes  
Extremes, extremes  
'Cause baby I know I go to extremes

I'm always running on the wire  
I'm terrified of peace and quiet  
I'm always running on the wire  
I fall in love in the middle of the riot

Ooh-ooh, ooh-ooh-ooh-ooh  
If you see me in a daze  
I feel better, outta place  
It's true, ooh-ooh-ooh-ooh  
I don't need to be saved  
I'm a fucking renegade, uh

Highs, lows, I got no in between  
Baby I know I've been talking in my sleep  
Free-falling, I drown in the deep  
Baby I know, I go to extremes

Extremes, extremes  
Extremes, extremes  
Extremes, extremes  
'Cause baby I know I go to extremes

Baby I know I go to extremes
