

Alan Walker, Space Melody (Edward Artemyev) ft

Maybe I'm a dreamer
Maybe I'm a fool for you
But I think I'm a believer
I Believe in something new

Maybe I'm a liar
But maybe I will tell the truth
I think we gotta hold on

And I hope it's not too late for us to change
Will I see your face
Somewhere in a better place

Maybe I'm a dreamer
Maybe I'm a fool for you
But I think I'm a believer
I Believe in something new

Maybe I'm a liar
But maybe I will tell the truth
I think we gotta hold on

And I hope it's not too late for us to change
Will I see your face
Somewhere in a better place
