

# Alan Walker, Space Melody (Edward Artemyev) ft

Maybe I'm a dreamer  
Maybe I'm a fool for you  
But I think I'm a believer  
I Believe in something new

Maybe I'm a liar  
But maybe I will tell the truth  
I think we gotta hold on

And I hope it's not too late for us to change  
Will I see your face  
Somewhere in a better place

Maybe I'm a dreamer  
Maybe I'm a fool for you  
But I think I'm a believer  
I Believe in something new

Maybe I'm a liar  
But maybe I will tell the truth  
I think we gotta hold on

And I hope it's not too late for us to change  
Will I see your face  
Somewhere in a better place
