

# Alan Walker Style , Axel Johansson, Next To Me

I hate that I love you  
hate that I love you  
try not but I do  
but it feels so good, so good

i am so drunk in love now  
so drunk in love now  
drinking about you  
but it feels so good, so good

all I see  
I is everything that we could be  
you'll never be alone whit me  
you'll never be alone whit me  
all you need  
is just a little clarity  
you'll never be alone whit me  
you'll never be alone

right next to me  
right next to me  
right next to me  
never alone, no  
right next to me  
right next to me

I look onto your eyes  
look into your eyes  
is you shaking?  
doesn't mean we're bound for life, for life

just stay here for one night  
stay here for one night  
don't say maybe  
doesn't mean we're bound for lofe, for life

all I see  
I is everything that we could be  
you'll never be alone whit me  
you'll never be alone whit me  
all you need  
is just a little clarity  
you'll never be alone whit me  
you'll never be alone

right next to me  
right next to me  
right next to me  
never alone, no  
right next to me  
right next to me
